Camrock City II X39 is a convenient photo bag of smaller sizes. It's great for carrying a basic photo set. Made of the best materials and stiffened construction, they protect the equipment from damage and humidity. The bag is sold with an adjustable shoulder strap. Camrock X39 City consists of a main compartment and four external pockets. The main compartment has two adjustable dividers. Front and side pockets are great for accessories. In addition, the main compartment flap and the front pocket are equipped with mesh compartments with a zipper. The rear pocket can contain instructions or other narrow items. There is a convenient handle on the flap of the chamber for lifting the bag or carrying it in his hand. From the bottom of the bag there are legs made of stiff rubber. The bag will fit a smaller advanced camera with accessories, such as a lens or flash, additional batteries, filters, cables or a charger. In the case of mirrorless or ultrazoom compacts we can expect more comfort with space. Materials from which the bag was made, guarantee its extraordinary durability. These are: 950D Polyester, 180D polyester Ripstop, special type of 2010D TXP nylon, PE foam.
